

25 April 2025

2 Johns Online Safety Session

Dear Parents and Carers,

We are committed to ensuring that all our children stay safe in today's digital world. As part of this, we are pleased to invite you to an important online safety session led by **E Safety Training**, otherwise known as the **2Johns**, a trusted organisation specialising in internet safety for children. Having attended meetings of theirs myself and having had them visit the school in the past, I can't recommend this enough – especially in the ever changing online world.

This session will provide valuable guidance on how to protect your child online, recognise potential risks, and encourage healthy digital habits. It's a fantastic opportunity to gain expert advice on keeping your child safe while they navigate the online world.

It has been organised as part of our work with the Brentwood Collaborative Partnership (BCP), which comprises of 17 schools in Brentwood that work to improve outcomes for children and staff and of which Larchwood is part. The training session is held online for all parents/carers across this partnership.

There are 1000 spaces available on a first come, first served basis. The training will be able to be viewed after the session. If all 1000 spaces are filled, another event will be scheduled.

As parents, it's vital to stay informed about the latest online threats and how to protect your child from them. This session will equip you with the knowledge and tools to safeguard your child helping them navigate the online world safely and responsibly.

Attending this session is an essential step in ensuring your child's well-being in an increasingly connected world.

Don't miss this opportunity to stay one step ahead and keep your child safe online.
