## Pickleball Event

Dear Parent/Carer

On Friday 12 December, we have organised a Pickleball Event in school for children in Years 3, 4 and 5.

Pickleball is a new version of tennis which blends tennis, badminton and ping pong. It is played on a badminton-sized court with a tennis net using solid paddles to hit a perforated plastic ball over the net.

Children will need their PE kits in school.

Each class session will last for 40 minutes and will run throughout the whole day.

Looking forward to an exciting day!

Year 2 Teacher/PE Lead
