Dear Parents/Carers

We are now almost half way through your child's first year with us at Larchwood. The Reception children are now really settled and we are seeing them making good progress with their learning.

Your involvement in your child's education is invaluable, plays a crucial role in their development and learning and we see this with the children who read every night at home. The partnership the Early Years team have with you at home is crucial to this success.

Through working together as a team, we can create a nurturing environment that fosters curiosity and a love for learning. This is where Tapestry is really useful. Your insights into your child's interests and strengths, help us to tailor our approach to meet their individual needs and inform our assessments. I would like to encourage you all to share experiences from home using Tapestry so that you can provide the Early Years Team with a fuller picture of your child's world, enabling us to support their growth effectively.

The children now have a weekly sharing session with the class where the team share things posted on Tapestry or that children bring in.

I also encourage you to engage in the activities suggested in the Tapestry Newsletter, as well as reading together and hearing your child read daily. Talk to your child about their day at school and share your experiences with them. This collaborative effort not only enhances their learning experience but also strengthens the bond between home and school.

Thank you for your continued support and commitment. Together, we can help our children to reach their full potential.

Mr S Bowsher  
Headteacher
