Achievement & Enjoyment

Headteacher Mr S Bowsher

Mr Bowsher's Headteacher Comment:

We are now exactly halfway through the school year and it has been a really positive end to the half term, culminating in the two parent consultation evenings. Sharing how your child is doing at school and how we can work together to help them develop further is a key part of the school's success. The positive atmosphere in the hall and classrooms over the last two evenings was a real joy. Thank you for taking the time to attend and engage in these important conversations.

Thank you as well to all the parents who completed the parent survey. With nearly 400 responses, the feedback was overwhelmingly positive once again. It is reassuring to know we are getting things right and it is fantastic to have such supportive parents. This is something we certainly do not take for granted, and we will continue to reflect on your comments as we move forward.

On Tuesday we met with our pupil panels to discuss maths at Larchwood. The feedback they gave was extremely positive and helpful.

Tuesday also marked Safer Internet Day and Mrs Hyde, our Computing Lead, delivered an assembly focused on '*Thinking Smart in the Age of AI*'. Children also took part in live lessons exploring how artificial intelligence is now part of our everyday lives. Learning to use it effectively, safely and sensibly is key, which is why it has been such an important focus.

Year 6 have had a particularly busy week. We welcomed Richard and Darren from the Magistrates' Association, who spoke about the role of magistrates, discussed crime and its impact, and led a mock trial. The sessions were extremely well received and provided valuable insight into citizenship and the rule of law.

On Wednesday, Year 6 visited St Martin's, another school in our Academy Trust, to watch their performance of *We Will Rock You*. The show was excellent and it was lovely to see some former pupils. Year 5 will visit later in the year to see *High School Musical*.

Although the children will be enjoying a well-earned rest over half term, school will remain busy. We have upgrades planned for the Year 4 and 5 toilets as well as the Reception toilets. New classroom screens will also be installed in a couple of rooms, along with new internet cabling in part of the building to strengthen our IT infrastructure.

Looking ahead, a letter has been sent home about Science Week, beginning on 9 March. This year's theme is '*Curiosity – what's your question?*' The project showcase will take place on 12 March and we look forward to seeing the children's fantastic work. Half term is a great time to get started. Mrs Morgan has also shared some ideas for half term from the RHS which tie in nicely with Children's Mental Health Week this week – please do take a look [here](#).

Finally, I would like to wish everyone a wonderful half term. Keep up with the reading – if you do nothing else, share a book with your child every day!
