Achievement & Enjoyment

Headteacher Mr S Bowsher

## Mrs Jaycock's Comment:

This week has been another highly productive week in school, with fantastic learning taking place alongside many exciting curriculum enrichment events. On Monday, our boys' football team played their rearranged cup match against Warley. In a closely fought game, the team showed great determination and teamwork to secure a 2-1 victory and progress to the quarter-finals – well done to all involved.

Our love of reading was the focus on Wednesday, when author Yassmin Abdel-Magied visited the school to share her story with pupils from Years 3 to 6, followed by a book-signing session. Speaking to staff and pupils afterwards, it was clear that she has led a varied life and was hugely entertaining – one of the best author visits we have had.

Thursday was a special day for Year 1, who enjoyed their Great Fire of London workshop in the hall. As the photographs on the last page show, they had a fantastic day full of memorable learning.

Children's Mental Health Week is a national event that helps us shine a light on the importance of emotional wellbeing for children and families. It starts on Monday 9<sup>th</sup> February and the theme this year is 'This is My Place' which is based around belonging and how we can feel a sense of belonging and help others feel like they belong.

Throughout the week, pupils will be taking part in age-appropriate activities and discussions that encourage them to talk about their feelings, build resilience and know where to find support when they need it.

We also know how important it is to support parents and carers. As part of the week, our Mental Health Support Team (MHST) will be running a coffee afternoon for parents on Tuesday 10<sup>th</sup> February at 2pm. This will be a relaxed, informal opportunity to meet the team, ask questions and chat with other parents about children's mental health and wellbeing. If you would like to join us, please come to the office at 2pm. We hope many of you will be able to come and be part of these supportive conversations

In addition, the MHST will be offering some parent webinars, providing practical advice and guidance on supporting children's emotional wellbeing at home.
