RE Curriculum

Dear Parent /Carer

As part of the enrichment of our RE curriculum, we would like to invite parents and carers of all faiths to visit classes for Q and A sessions during the Summer term. Your sessions could include sharing: traditions, core beliefs and practices, special festivals and any photos or images of special buildings. You may even want to bring in artefacts or special objects to share with the children. We hope that this will provide the children with a rich insight into each religion as well as the opportunity to gain information from first-hand experiences.

If you would be willing to participate, please indicate the days and times that are most convenient for you and return the slip below to the School Office by Friday 25th March 2022.

If you have any further questions, please do not hesitate in contacting us.
