## Welcome to your LPPA

All parents and carers at Larchwood Primary School are automatically a member of the LPPA. It's your association. We are an open community of parent volunteers working alongside the school to benefit and ensure the best educational experience for all it's pupils. The LPPA is a small association that is independent from the school and we held our first AGM on 14<sup>th</sup> October 2019, thank you to all those who attended. Our newly elected Committee is detailed below.

## What can you do to help?

### How can my skills be useful?

Any parent can be a fundraising member, and every parent has skills to bring, from graphic design to gardening; from events management to balancing the books; and from wrapping up lucky dip gifts to handing out flyers!

### How much time can I commit?

Some of our most active parents work full-time or have other commitments.

The more volunteers we have, the more events we can run; and the more funds we will be able to raise for OUR children's school.

### What resources do I have at my disposal?

Do you own your own business? Can you or your employer help us? Either by sponsoring an event, donating to a raffle, donating supplies for events, or offering discounts etc.

### What else can I do to help?

- ✓ Join us in organising events
- ✓ Promote & use our fundraising sites
- ✓ Help by volunteering at events
- ✓ Bake or donate!
- ✓ Attend events and support us
