Achievement &amp; Enjoyment

Headteacher Mr S Bowsher

## Headteacher's Comment:

This week's school value that I want to talk about is the value of Responsibility. I've chosen this value partly because the young man winning my Superstar Award has demonstrated this value so well this term. It is also something that I have seen demonstrated across the school community.

The most obvious example of this is the collective responsibility that everyone has shown towards our harvest collection. As I said when announcing it, we don't normally take part in harvest collections, but this year with the ongoing difficulties many families face in affording food we all felt it was important to try to help the local food hub at St George's Church. Everyone's generosity has been amazing. Thank you.

This responsibility has been shown multiple times over the last year as parents and children have supported the different charities we have raised money for. Over £1800 has been raised for Haven House, Cancer Research, The British Legion, Comic Relief and Children in Need. This is on top of the thousands raised by the LPPA. With our community setting such a good example of how to take responsibility for things it is no wonder our children are also able to demonstrate this value in their learning and the way they conduct themselves around school.

Finally, don't forget that it is Parent Consultation evening next Wednesday and Thursday so if you want to hear how your child is doing and how they demonstrate all our values make sure you have booked a slot via [www.larchwood.schoolcloud.co.uk](http://www.larchwood.schoolcloud.co.uk).
