NEWS & VIEWS

Achievement & Enjoyment

Headteacher Mr S Bowsher

Headteacher's Comment:

Today is Primary National Offer Day. This is the day that families find out which primary school their child will be going to next year and 60 new children will be joining us in September. Once again, we have had a record number of applications to join the school. Those of you with children in Reception will probably be wondering where the time has gone as this was you a year ago. Those parents with children in Year 6 who are now entering their last term in Primary School will be wondering it even more. I know that feeling, it seems like only yesterday my eldest daughter started school and now she is in her last term of sixth form.

There is much planned for this term. It is a long one (14 weeks) which means we can really make up for lost time when it comes to learning. This week has been very busy in every class and no time has been wasted getting straight back into learning. Well done to those children who have read 4, or even better, 5 times this week. There are a handful of families who have not done this, please make sure it does happen next week. I'm expecting to be able to give out a record number of certificates this term for the classes that do read every day.

As you know another thing we are straight back into is clubs with a record 30 of them. I know I said this in my letter on Monday, but these could not happen without all the teachers and LSAs volunteering their time. I believe all text messages have gone out with details of which club your child has got a place in. If the club runs after school, please make sure you know where and when to pick your child up. Essentially, you will pick up from the same location as you would normally at the end of the day. A text message will be sent on Monday to confirm this.

Finally, Mrs Wright, who works in RT, is leaving us today. I'm sure you will join me in thanking her and wishing her good luck for the future.
