Achievement & Enjoyment

Headteacher Mr S Bowsher

Headteacher's Comment:

Over the last 2 years we have been improving our already excellent curriculum so that it gives all of our children the best start to their education and so that they leave Larchwood ready for the next part of their journey.

In our curriculum intent our aims are very clear. Ultimately, our aim is for children to leave Larchwood with the following:

- a rich vocabulary that enables them to communicate successfully;
- a love of reading that leaves them with a thirst for general knowledge;
- a high level of mathematical reasoning and the ability to problem solve and be creative;
- a wealth of experiences to develop cultural capital;
- an understanding of the world around them that they are fully equipped to compete in;
- a lifelong enthusiasm for learning that enables them to reach their potential.

Over the coming weeks I will be sharing with you a bit more about what each of these aims means and what we do to make sure we achieve them. Ultimately though it is about our mission statement and 'Achievement and Enjoyment'. These 3 words are written around the school for all to see and I firmly believe that children at Larchwood should and do achieve their potential and enjoy their primary years. Have a great weekend
