Achievement & Enjoyment

Headteacher Mr S Bowsher

Headteacher's Comment:

Welcome back to a new term. I hope everyone had a really enjoyable Easter Break and you were able to enjoy the lovely weather last weekend. The summer term is my favourite of the school year. The weather is better (usually), the days are longer and we get to spend more time outside.

As is always the case, learning started at 8:30am on Tuesday morning, and there will be lots that will be covered over the term. If you want to remind yourself about what your child will be learning this term the curriculum overviews are on our website and the links are below.

This term will also be the last for some of our children as Year 6 move on to secondary school. They still have plenty of learning and things planned including the residential before then so there will be plenty of memories made. It is also the start of the journey for some families as they found out that their child has a place at Larchwood for September. Once again, we are oversubscribed. I will be calling all the new families over the next few weeks to welcome them to the Larchwood family.

Have a great weekend.

Walk to School

From Monday we will be tracking how children come to school. This is a national initiative – the WOW travel tracker from [living streets](#). The idea is to encourage families to be healthier and to make the roads less busy and therefore safer. Each day, children will be saying how they come to school and will earn a point each time they walk, ride, scooter or park and stride (by parking further away and walking for at least 10 minutes e.g. at the Brentwood Centre). Children who do this regularly will be able to earn themselves badges whilst helping to take cars off the road.

Comic Relief

A huge thank you to everyone who purchased a red nose or submitted a joke. We raised £480 from sales of red noses and £106 from jokes, so £586 in total. Well done.

Twitter

Just a reminder that if you don't follow us on twitter you are missing out. Follow us on [@LarchwoodPS](#). To tag us in, just start a tweet with [@LarchwoodPS](#) and we will see and share the tweet. This is a great way to see the amazing things children get up to at home.

Also, the Larchwood Primary Parent's Association share what they are up to (like the ice cream sale today) on their twitter account [@LarchwoodPA](#) so give them a follow – that way you'll know when the next sale is!
