# NEWS & VIEWS

Achievement & Enjoyment

Headteacher Mr S Bowsher

## Headteacher's Comment:

It is starting to feel like summer is coming with the sun we have had this week. On Wednesday afternoon it felt very summery after school as the field was full of children doing different sports clubs, something that we haven't been able to do for a while.

As you know we often share some of the great things that happen around the school via Twitter, but I'm going to share some here for each year group.

- Reception have been enjoying their new garden planters built by Mr Doug, more sunflowers have gone in.
- Year 1 have been making 'Moving Monsters' as part of their Design and Technology work and used pneumatic systems.
- Year 2 have been doing work with clay based on the natural world and the work of Andy Goldsworthy. There was a very impressive clay wolf that I really liked.
- Year 3 have been doing science work on forces and made a variety of parachutes.
- Year 4 have been experimenting with electrical circuits in science.
- Year 5 have been drawing on tables! It was allowed as they were drawing angles in maths and cleaned the tables afterwards.
- Year 6 have been making blood! See twitter for more details of that one.

These are just some of the amazing things that happen every day and help us live up to our school slogan 'Achievement and Enjoyment'. Have a great and hopefully sunny weekend.

## Mr Bowsher's Superstar Award

Iyla-Mai in RT – for demonstrating the value of friendship.
