Achievement & Enjoyment

Headteacher Mr S Bowsher

Headteacher's Comment:

Welcome to the first full News and Views of the term. I want to extend another welcome to all our new parents who have joined us this year. The 60 children who have started in Reception have really settled in well and are already a big part of the school community.

As you are all fully aware we had Ofsted visiting us over the last two days. We are very proud of our school and it was a pleasure to be able to share that with the inspector. The outcome won't be known for about 5 or 6 weeks while the report is written and checked. The inspectors did want to thank the children for the spending time with them this week. As always, they were a credit to the school and to you.

It is also worth noting the results of the Parent View survey which Ofsted do look at and is available for everyone to see. We already knew how highly you rate the school and Ofsted were able to see that too. Thank you to those of you who completed the survey.

At this time of the year it is always worth sharing with parents what the children will be learning in their new year groups. Below are the links to the curriculum overviews that are on our website which will give you more details.

Finally, you will see the stars of the week for the last 3 weeks on the next page. Well done to all those children. Weekly attendance is also on this page and in most cases has started strongly – super! The only thing missing are the reading numbers. As it has not been a full week we aren't counting them. However, just to remind you, the expectation is that children read at least 4 times a week, but in reality, it should be every day. The reading culture we have at Larchwood is something we are really proud of, so enjoy a good book this weekend.
