NEWS & VIEWS

Achievement & Enjoyment

Headteacher Mr S Bowsher

Headteacher's Comment:

As we you are all aware, from 19th July most restrictions around COVID are being removed. That will be our last week of term and actually we aren't going to change how things are run for that last week. Our protective measures will remain in place until we break up.

In September we have been told that we no longer need to have things like 'bubbles' in operation and lunch and break times can return to normal. Isolating whole 'bubbles' will cease for children and things like assemblies together can resume. The government's plan is that school will be very much back to normal. We will of course be letting you know more details in due course about any changes in place, in the meantime let's hope we make it through the last 2 weeks. We have a lot still going on.

Just a quick comment on 'green day' yesterday. It was fantastic how excited all the children were and the learning going on around the school was really focused. Seeing children bug hunting on the field, pond dipping, making bird feeders, working on the allotments and generally learning in a fun way was brilliant.

Whilst I'm talking about 'green' things, the sunflower competition ends next Friday. From Monday please send a picture of the sunflower with the height measured into the office email or via twitter. It is the height from the top of the soil to the top of the plant. There will be a winner in each class. The deadline for entries is 4pm on Friday 16th July. Good luck!

Finally, the Larchwood family grows again. Mr Collins-Duncan and his wife had a beautiful baby girl this week. I'm sure you will join me in offering them all our congratulations.

Have a great weekend – it's coming home (hopefully)!

Mr Bowsher's Superstar Award

Zachary in 3A – demonstrating the value of responsibility.
