Achievement &amp; Enjoyment

Headteacher: Mr S Bowsher

## Headteacher's Comment:

Welcome to the new look News and Views!

As well as the new overall look the eagle-eyed amongst you may have spotted a slight difference at the bottom of the page. In the past, News and Views and letters home had the name and logo for the Brentwood Academies Trust on (it was also the logo for St Martin's school). We are not in a new multi academy trust (MAT), it has just changed its name to better reflect what we do and the schools in it. With ourselves and St Martin's being based in Brentwood, but Chase High School being in Southend, it made sense to update it. Having a compass as the logo and the name Discovery Educational Trust seems fitting for what we do. Education is a journey of discovery and a compass can help us find our way.

One of the benefits of being in a MAT is you get to do things collaboratively and it is thanks to input from Chase High School, and particularly their head of media studies, that we can reveal this new look.

The content of News and Views isn't changing, just the appearance. So, we will continue to publish the weekly reading figures and celebrate those children and classes that all read at least 4 times – I think we are getting closer to the magic 100% figure for the school.

Attendance will also continue to be published, as without question coming to school everyday makes such a difference to how children get on over their school career. I'd like to say a massive well done to both Reception classes, 1P and 3B who all have attendance over 98% this year. For the children in Reception, this means their school life has started so well.

Have a great weekend – stay safe.
