Headteacher: Mr.S.Bowsher

23rd March 2021

Dear Parents / Carers

In order to carefully monitor the PE provision in our school, it is hugely beneficial to understand how each student perceives their involvement and development in lessons and what we offer as a school.

Please can you carefully read the questions in the survey to your child and help them answer honestly and accurately so that we can gain a better understanding of how we can improve PE for your child at Larchwood.

It would be a huge help to us if you could complete this survey by Friday. It shouldn't take more than 10 minutes.

Thank you in advance.

K Pirie

Mrs K Pirie
PE Lead
