PSHCE Lessons

Dear Parent / Carer

We would like to make you aware that we will be looking at our Year 2 Relationships Unit in our PSHCE lessons this half term. These lessons will cover knowledge such as the differences between male and female bodies and the names for the relevant body parts, respecting our own and others' bodies as well as keeping our bodies safe.

As part of the lessons we will be using the correct medical names for parts of the body. This includes the correct names for the genitals.

These topics are part of the curriculum and give children a better understanding of the world around them.

If you wish to discuss anything regarding any of these topics, please get in touch with your child's class teacher via the school office.

Thank you for your continued support.

 M.Gardner

Mrs Belle and Miss Gardner
Year 2 Team
