21st April 2022

Dear Parents / Carers

Annual Sunflower Competition

Today the children will be bringing home a pot containing some soil and two sunflower seeds. This means the annual sunflower growing competition has returned for its 10th year.

These are distinct sunflowers that will hopefully grow really tall. The pots are fully biodegradable and the soil is peat free.

The rules are simple. Grow the tallest sunflower you can and submit photographic evidence of how tall your sunflower is by midday on Thursday 14th July.

There will be a trophy for the tallest sunflower in each year group and a trophy for the overall winner. The winner will also get their name on the sunflower honours board near the office. As always there will be a staff competition which will undoubtedly be equally competitive.

A few tips for you all. Water the seeds straight away and keep them indoors, probably until it warms up outside at the end of April.

A big thank you to Mr Doug for getting ready nearly 500 pots.

Enjoy and good luck!

Mr S Bowsher
