25<sup>th</sup> March 2021

Dear Parents / Carers

## Annual Sunflower Competition

Today the children will be bringing home a pot containing some soil and two sunflower seeds. This means the annual sunflower growing competition has begun.

The rules are simple. Grow the tallest sunflower you can and submit photographic evidence of how tall your sunflower is by Friday 16<sup>th</sup> July.

There will be a trophy for the tallest sunflower in each year group and a trophy for the overall winner. The winner will also get their name on the sunflower honours board near the office. There is also a staff competition this year and early favourites include past winner, Mrs Carter, and super competitive Mrs Pirie.

A few tips for you all. Water the seeds straight away and keep them indoors, probably until it warms up outside at the end of April.

A big thank you to Mr Doug for getting ready over 400 pots.

These are distinct sunflowers that will produce very specific flowers that should look stunning. Enjoy and good luck.

Mr S Bowsher
