Tag Rugby Squad Training – Wednesday Lunchtimes (Starting 16th October 2019)

Dear Parent / Carer

We have entered a Tag Rugby league this year and had some trials last week. Your child has been selected to be part of the squad and training sessions will take place on Wednesdays between 12:30 – 13:00 after which children will then go and enjoy the rest of lunch.

Initially we will be training on the playground, so children will only need trainers in school for that. However later in the term we may do some sessions on the field when children will need a different kit and football boots / trainers to wear as it will be muddy. I will let them know when they will need this kit. Details of the matches will be sent out before each game to the children selected to play in it.

The club is free to attend although permission is needed – please sign and return the slip below should your child wish to attend.

There will be no club on Wednesday 23rd October.
